COMPLETION of Panama Railroad.—Reduction of fare to California.—United States mail steamships leave New York for Aspinwall on the 5th and 20th of each month, connecting with mail steamers from Panama to San Francisco.

These steamships have been inspected and approved by the Navy Department, and guaranty speed and safety.

The Panama railroad (47 miles long) is now completed from ocean to ocean, and is crossed in 3 or 4 hours. The baggage of passengers is checked in New York through to San Francisco, and passengers are embarked at Panama by steamer at the company's expense. The money paid in New York kept in port in New York, Panama, and San Francisco, to prevent detention in case of accident, so that the route is entirely reliable.

Passengers leave Panama the same day they arrive at Aspinwall.

Conductors go through by each steamer, and take charge of women and children without other protectors.

For through tickets at the lowest rates apply at the agency, 177 West street, New York, to

OFFERED FOR SALE TO THE PUBLIC IN LOTS.

THIS property has been held under an act of incorporation since 1538. The chartered property then constated of 1,183% acres of land, in Faquiter county, including the improvements thereon, and was divided into 2,500 shares, estimated in the charter at \$100 each. The subscriber having subsequently reacquire the property, sold a part thereof, and there now remain fully elevan hundred acres, together with the buildings enlarged and greatly in proved. The more easily to sell such a property, and is increase its value, he has laid off the larger portion of the land into about 10,000 building lots, with convenient streets, of 80-feet width, running north and south, east and west, with a view to the formation of a village or city, to be called "Warrenton Springs." These lots nearly surround the reserved sixty five acres, which include the Sulphur Springs and all the contiguous buildings and improvements. These sixty dive acres, since, are offered for sale, in 2,500 shares, in connection with the lots; the whole 12,500 lots and shares being estimated at \$10 each, and whon taken to be partitioned by lot, these getting the 2,500 shares will constitute the corporation under the anomited charter of February 2, 1854, known as the Fauquior White Sulphur Springs Company; and those getting the respective lots will receive that docks shared will constitute the corporation under the anomited charter of world and the sulphur springs Company; and those getting the property by the sworn officer of the Commonwealth of the highest character and business qualifications, to whom, as trustee for the purpose, the cultive sequence of the sulphur springs convenience in the success of the Springs, and in fact the share the surround of the property by the sworn officer of the Commonwealth of the success of the Springs and in a convenience of the success of the Springs, and in a convenience of the success of the Springs and in a convenience of the success of the Springs and in a convenience of the succ

Nors.—1. All the streets are 60 feet wide, and run north and south, east and west.

2. Each square, in the plan, fronts 250 feet on streets running east and west, and 220 feet on streets running north and south, and (with the portion of the streets and alley) contains about two acres.

3. No payment of even the \$10 is required till it is ascertained, by the number of subscribers, that a city is to be built; in which event the value must greatly exceed the cost.

4. In the partition the 10,000 lots will be represented by tokens, with the number of square and of lot on each. These tokens will be put in the aame vease with 2,500 similar ones, marked "1' share of stock." In another vessel subscribers' names will be put, (each name repeated according to the number of shares he may have taken), and in the drawing, as in the division of large estates among numerous heirs, each will thus have an equal chance with any other of getting a share of Spring stock, or the more highly valued lot.

The 2,500 who get the 53 acres, including the Sulphur Spring, the buildings, casessed at \$80,000, and the formiture.

These who get anitable building lots for large hotels may be still more successful, while those least fortunate will get building lots of 25 by 100 feet, that must be worth, as the population increases, much more than the cost.

5. Subscription lists and lithographic plans of the proposed city are left at most of the bookstores and other public places in this city. The agents having them can become the representatives of the respective subscribers, and in surrendering the lists can got assurance of the docks. The payments and the drawing are desired to be at the same time, or the subscription may be deposited in any solvent bank, to be paid to Robert-Hudgin on the day of partition.
